

#### Learning Targets:

- Explain the importance of soft skills
- Prepare effective written and verbal communications

#### Your Task:

To introduce yourself and demonstrate your verbal communication skills, you will be creating a 1-2 minute introduction video. The parameters of this video are below:

- Video must be a minimum of 1 minute long and no more than 2 minutes long
- Should include information that you would tell someone when you introduce yourself to them. This might include things such as:
  - Family (Mom, dad, brothers, sisters, step siblings, pets, etc.)
  - Favorite things (Food, movies, music, subject, etc.)
  - Where you work
  - Future plans
- May **NOT** use notecards, outlines, etc. – you are talking about YOU so you should know the material fairly well

#### Creating the Video:

To create your video, follow the steps below:

1. Go to YouTube. Sign in using your HUHS Google account.
2. Click the *Upload* button in the upper right hand corner. Instead of selecting a file to upload, click the *Record* button below “Webcam capture” on the right hand panel labeled “Create videos”.
3. Press the *Start recording* button at the bottom of the grey box that appears. Give YouTube access to your webcam and/or microphone if necessary.
4. Record your video and press continue. Rename your video appropriately and upload it to YouTube.
5. Ensure your video is set to public view and submit the direct link to your YouTube video to your instructor.
